Site Manager Technical Insulation (m/f/d) – Berlin / Location-independent

Hiring organization
TL Concept GmbH

Beginning of employment
as of now

Duration of employment
unlimited

Industry
Building trade

Job Location
Ernst-Augustin-Straße 2, 12489, Location-independent, Berlin, Deutschland

With 230 permanent employees and over 220 freelancers, we have been supporting our customers for many years in the planning, manufacture, installation and maintenance of building equipment and supplying solutions of high German quality for construction projects throughout Europe.

TLC is undergoing a strong growth process and Denmark is one of our strategic growth areas.

If you have an entrepreneurial mindset, enjoy taking on responsibility and want to play an active role in shaping a modern working environment, then you've come to the right place!

We are looking for an experienced **site manager for the Technical Insulation department (m/f/d)** to start as soon as possible.

Location: Berlin (with travel activities in Hamburg, Mecklenburg-Western Pomerania, Lower Saxony and Saxony-Anhalt, as well as optional home office shares)

This is what you can expect from us:

- **Responsibility & variety:** An exciting role with creative freedom in a dynamic company with a real winner's mentality.
- **Attractive framework conditions:** permanent employment in a modern, international company.
- **A work culture that inspires:** open communication through our own employee app, flat hierarchies and collegial cooperation at eye level paired with regular company events.
- **Top equipment & fair remuneration:** company car and smartphone for our colleagues in the field, attractive salary and company health insurance.
- **Further development included:** Professional and personal development as well as the option of working on exciting and future-oriented projects throughout Germany.

What you can expect from us:

- You will be responsible for the supervision and management of construction sites in the field of **technical insulation** in northern and eastern Germany.
- One focus is on **creating measurements for material orders and invoicing** as well as **sheet metal measurements for production**.
- They regularly consult with clients, project managers and subcontractors and coordinate the construction process.
- You will also instruct fitters, manage their deployment and monitor quality and performance on the construction site.
- You are also responsible for complying with health and safety regulations.

What you bring with you:

- You have several years of experience as a site manager, ideally in the field of **technical insulation**
- Sound knowledge of measurement, invoicing and construction coordination are among your strengths.
- You work independently, in a structured manner and impress with your assertiveness and sense of responsibility.
- A class B driver's license and a willingness to travel round off your profile.

Fancy a change?

Are you looking for an exciting professional challenge, but our current vacancies don't quite meet your expectations? Then show us what makes you unique and send us an unsolicited application! We look forward to receiving your detailed application including salary expectations and earliest possible starting date by e-mail to:
