Description

Shape the future of the TLC Group

The world of work is changing.
AI is changing companies.
And we want to play an active role in shaping this development.

The **TLC Group** is active in the fields of **fire protection, ventilation, air conditioning, insulation and building technology** and continues to grow. That is why we are looking for someone who can integrate modern technologies into our group of companies in a meaningful way and help build new digital structures.

Who we are looking for

Not a classic IT administrator.
Not a pure theoretician.

But someone who:

- processes,
- recognizes opportunities,
- makes sensible use of modern AI tools
- and really gets things done.

Responsibilities

Your tasks will be:

- Introduction and implementation of modern AI solutions
- Analysis and optimization of existing processes
- Development of digital and automated processes
- Development of smart workflows for administration, project management and sales
- Supporting our teams in the use of AI
- Testing and implementing new technologies
- Helping to shape the digital future of the TLC Group

Qualifications

Your profile and our expectations:

- Enthusiasm for AI, digitalization and innovation
- Experience with tools such as ChatGPT, Copilot or automations
- Understanding of business processes
- Independent and solution-oriented way of working
- Motivation to actively shape change
- Hands-on mentality and initiative

An advantage:

- Experience with process automation
- Knowledge of digital workflows
- Project management experience
- Technical understanding

More important to us than perfect references are:
Ideas, motivation and strength of implementation.

Job Benefits

What we can offer you in addition to our experience:

- an **open-ended** employment contract
- an attractive salary
- Company health insurance
- the company pension scheme
- our own employee app
- systematic onboarding
- a **secure job** in a constantly growing company
- a familiar working atmosphere
- **30 vacation days**
- Individual development opportunities
- Further training opportunities
- **modern IT** equipment
- Regular, fun & sporty company events

If you feel that our company is a good fit for you, we look forward to receiving your application, stating your earliest possible starting date and salary expectations, to **bewerbung@tlconcept.eu**
