Site manager for the fire protection department (m/f/d) – nationwide

Hiring organization
TL Concept GmbH

Employment Type
Full-time

Beginning of employment
as of now

Duration of employment
unlimited

Industry
Building trade

Job Location
An der Novisol 2, 01665 Klipphausen, nationwide, Sachsen, Deutschland

With 230 permanent employees and over 220 freelancers, we have been supporting our customers for many years in the planning, manufacture, installation and maintenance of building equipment and supplying solutions of high German quality for construction projects throughout Europe.

TLC is undergoing a strong growth process and Denmark is one of our strategic growth areas.

If you have an entrepreneurial mindset, enjoy taking on responsibility and want to play an active role in shaping a modern working environment, then you've come to the right place!

We are looking for an experienced full-time **site manager for the fire protection department (m/f/d)** to start as soon as possible.

Locations: Hamburg, Leuna, Jena, Klipphausen, Berlin, Frankenthal

Deployment: nationwide

This is what you can expect from us:

- **Responsibility & variety:** An exciting role with creative freedom in a dynamic company with a real winner's mentality.
- **Attractive framework conditions:** permanent employment in a modern, international company.
- **A work culture that inspires:** open communication through our own employee app, flat hierarchies and collegial cooperation at eye level paired with regular company events.
- **Top equipment & fair remuneration:** company car and smartphone for our colleagues in the field, attractive salary and company health insurance.
- **Further development included:** Professional and personal development as well as the option of working on exciting and future-oriented projects throughout Germany.

What you can expect from us:

- You are responsible for managing construction sites in the area of fire protection and ensure that everything runs smoothly – from preparation to completion.
- Planning and coordinating the deployment of personnel, materials and equipment on site are also part of your daily tasks.
- You will also manage the installation personnel on the construction site, check the workmanship and ensure quality.
- They ensure compliance with all health and safety regulations as well as order and cleanliness on the construction site.
- They also work closely with the project manager and are the central point of contact for customers, subcontractors and internal contacts.

What you bring with you:

- Several years of professional experience in construction management – ideally in the field of fire protection.
- Completed training as a master craftsman, technician or comparable qualification in the field of fire protection or technical building equipment.
- You are also characterized by assertiveness and an independent, structured way of working on the construction site.
- You communicate confidently in German and English and have a high sense of responsibility and commitment.
- Your profile is rounded off by a class B driver's license.

Fancy a change?

Are you looking for an exciting professional challenge, but our current vacancies don't quite meet your expectations? Then show us what makes you unique and send us an unsolicited application! We look forward to receiving your detailed application including salary expectations and earliest possible starting date by e-mail to:
