## Calculator with specialization in insulation and fire protection (m/f/d) at the Berlin location

### Description

**Calculator with specialization in insulation and fire protection (m/f/d) at the Berlin location**

### Hiring organization

TL Concept GmbH

### Job Location

Ernst-Augustin-Straße 2, 12489,  
Berlin-Adlershof, Berlin,  
Deutschland

Location: Berlin

### Job description

TLC GmbH is a successful and long-established company in the field of **ventilation and air conditioning technology, insulation and fire protection**. Our aim is to ensure the highest quality and maximum efficiency for our customers. We specialize in the implementation of major projects and framework agreements throughout Germany and in other European countries.

Our team is looking for **an estimator (m/f/d) specializing in insulation and fire protection** as soon as possible .

The position is preferably full-time.

### What we can offer you in addition to our experience:

- an **open-ended** employment contract
- an attractive salary
- Company health insurance
- our own employee app
- systematic onboarding
- a **secure job** in a constantly growing company
- a familiar working atmosphere
- **30 vacation days**
- Individual development opportunities
- Further training opportunities
- **modern IT** equipment
- Regular, fun & sporty company events
- optimal connection of the office to public transportation (S-Bahn station Adlershof 200m)

### Your tasks will be:

- Preparation of quotation, order and supplementary calculations for building

services, specializing in the areas of fire protection/insulation

- Cost estimates/ mass calculations and tender preparation for complex tender procedures (functional tenders/ lump sums)
- Collaboration in the acquisition of construction contracts, recognition of opportunities and risks in the processing of offers from a commercial, contractual and technical perspective
- Merging the technical, contractual, commercial and calculative findings of the offer processing
- Accompaniment of larger construction projects to support project management in the preparation and preparation of supplementary offers in the course of construction work
- Cooperation across locations

### **Your profile and our expectations:**

- You are a number cruncher and have a great affinity for numbers
- Professional experience in costing is advantageous
- Professional experience or completed training as a specialist/industrial insulator, technician or master craftsman
- Responsible and independent way of working
- Ability to work in a team
- Confident handling of MS Office and common calculation programs
- Ability to work in a team and strong communication skills
- Good written and spoken German

If you feel that our company suits you and you can fulfill our expectations as far as possible, then we look forward to receiving your application, stating your earliest possible starting date and salary expectations, to [bewerbung@tlconcept.eu](mailto:bewerbung@tlconcept.eu).
