Fitter Sheet Metal Working (m/f/d)

Are you tired of rigid structures, long decision-making processes and “we’ve always done it this way”?
Then you’ve come to the right place.

We are TLC – a growing company in the technical building services sector with over 230 permanent employees. For us, it’s not about hierarchies, but about getting things done. About quality, team spirit and becoming better together.

And that’s exactly why we’re looking for you.

Location: Klipphausen

What you can expect from us:

- **Not a corporation, but a real team:** short distances, direct communication and colleagues you can rely on
- **Working instead of waiting:** quick decisions without unnecessary coordination
- **Variety instead of the daily grind:** different projects and real responsibility
- **Strong benefits:** fair remuneration, company health insurance and company pension scheme (bAV)
- **Development that really happens:** professional and personal development – if you want it, it can happen here
- **Modern equipment:** sensible tools and working conditions that work

Your job with us:

- Processing thin sheets – manually and mechanically
- Production of sheathing, molded parts and special solutions
- Work according to drawings, sketches or independently to measure
- Cutting, edging, folding and forming sheet metal
- Ensuring quality and accuracy of fit

What you should bring with you:

- Training in the metal sector or experience in sheet metal working
- Craftsmanship and technical understanding
- Desire to tackle and work in a team
- Reliability – we teach you everything else

In addition to our experience, here’s what we can offer you:

- an **open-ended** employment contract
- an attractive salary
- Company health insurance
- the company pension scheme
- our own employee app
