Project Manager (m/f/d) in the Insulation Division at the Berlin location

Description

Shaping the Future Together.

TLC Concept GmbH is a well-established company in the fields of ventilation and air conditioning, technical insulation, and fire protection. We carry out complex large-scale projects and framework agreements in Germany and Europe—with a focus on quality, efficiency, and collaborative partnerships.

With 280 full-time employees and over 220 freelancers, we have been supporting our customers for many years in the planning, manufacturing, installation, and maintenance of building systems, and we provide high-quality German solutions for construction projects throughout Europe.

We are looking for a full-time **Project Manager (m/f/d)** for our Berlin office to start as soon as possible.

Location: Berlin

What we can offer you in addition to our experience:

- **Responsibility & variety:** An exciting role with creative freedom in a dynamic company with a real winner's mentality.
- **Attractive framework conditions:** permanent employment in a modern, international company.
- **A work culture that inspires:** open communication through our own employee app, flat hierarchies and collegial cooperation at eye level paired with regular company events.
- **Top-Notch Benefits & Fair Compensation:** Company cars and smartphones for our field staff, an attractive salary, a company retirement plan, and company health insurance.
- **Further development included:** Professional and personal development as well as the option of working on exciting and future-oriented projects throughout Germany.

Responsibilities

What we can offer you in addition to our experience:

- Technical and Business Management of Projects
- Planning, Cost Estimation, and Management of Construction Projects
- Support for building owners, engineers, and project partners
- Capacity and Resource Planning for Technicians and Subcontractors
- Monitoring of Execution and Quality
- Ensuring that projects are completed on time and within budget
