Description

Welcome to TLC – your next career step with responsibility.

With 230 permanent employees and over 220 freelancers, we have been supporting our customers for many years in the planning, manufacture, installation and maintenance of building equipment and supplying solutions of high German quality for construction projects throughout Europe.

If you have an entrepreneurial mindset, enjoy taking on responsibility and want to play an active role in shaping a modern working environment, then you've come to the right place!

We are looking for you to join us as soon as possible as**an experienced senior technician in the Technical Insulation department (m/f/d)**

Location: Jena

What we can offer you in addition to our experience:

- **Responsibility & variety:** An exciting role with creative freedom in a dynamic company with a real winner's mentality.
- **Attractive framework conditions:** permanent employment in a modern, international company.
- **A work culture that inspires:** open communication through our own employee app, flat hierarchies and collegial cooperation at eye level paired with regular company events.
- **Top-Notch Benefits & Fair Compensation:** Company cars and smartphones for our field staff, an attractive salary, and company health insurance.
- **Further development included:** Professional and personal development as well as the option of working on exciting and future-oriented projects throughout Germany.

Responsibilities

What you can expect from us:

- Training in the organization, coordination, and execution of projects on the construction site
- Assignment and technical guidance of the installation crew
- Monitoring of Deadlines, Quality, Performance, and Workplace Safety
- Coordination of materials, tools, machinery, and subcontractors
- Creation of measurements

Qualifications

What you bring with you:

- You have several years of experience in **technical insulation**, ideally as a

senior installer, foreman, or experienced skilled worker.
- You have experience in quantity surveying, construction site documentation, and the coordination of work processes.
- You take responsibility on the construction site, lead your team reliably, and maintain a clear overview even during busy periods.
- You work independently, in an organized manner, and with a focus on solutions
- A Class B driver's license and a willingness to travel round out your profile.

Job Benefits

What we can offer you in addition to our experience:

- an **open-ended** employment contract
- an attractive salary
- Company health insurance
- the company pension scheme
- our own employee app
- systematic onboarding
- a **secure job** in a constantly growing company
- a familiar working atmosphere
- **30 vacation days**
- Individual development opportunities
- Further training opportunities
- **modern IT** equipment
- Regular, fun & sporty company events

If you feel that our company is a good fit for you, we look forward to receiving your application, stating your earliest possible starting date and salary expectations, to **bewerbung@tlconcept.eu**
