Site Manager Technical Insulation (m/f/d) – Dresden, major project ESMC

Description

Welcome to TLC – your next career step with responsibility.

Would you like to help shape an exciting major project, take on responsibility and really make a difference as part of a strong team?

Then come and join us. For our **major ESMC project in Dresden**, we are looking for a full-time **Site Manager Technical Insulation (m/f/d)** to start as soon as possible.

With us, you can expect a modern working environment, real creative opportunities and the chance to contribute your experience to a challenging international project. As a growing company with many years of experience in technical building services, we stand for quality, reliability and strong teamwork.

Responsibilities

What you can expect from us:

- You will be responsible for the supervision and management of construction sites in the field of technical insulation in northern and eastern Germany.
- One focus is on creating measurements for material orders and invoicing as well as sheet metal measurements for production.
- They regularly consult with clients, project managers and subcontractors and coordinate the construction process.
- You will also instruct fitters, manage their deployment and monitor quality and performance on the construction site.
- You are also responsible for complying with health and safety regulations.

Qualifications

What you bring with you:

- You have several years of experience as a site manager, ideally in the field of **technical insulation**
- Sound knowledge of measurement, invoicing and construction coordination are among your strengths.
- You have a very good command of written and spoken German and **must be fluent in English** in order to move confidently in an international project environment
- You have a class B driving license and are willing to work at the Dresden site as part of the major ESMC project

Job Benefits

What we can offer you in addition to our experience:

- an **open-ended** employment contract
- an attractive salary
- Company car
